We are committed to undertaking a 6-month trial of these road closures. Over this 6-month period, we will measure and monitor these trials. This will include:

- In-person park visitor satisfaction surveys (where possible due to Covid-19 restrictions)
- Attaining park stakeholder feedback
- Evaluation of the external implications of our trials in partnership with relevant transport authorities (TfL and local boroughs)
- A formal consultation with all park visitors, residents and stakeholders

All feedback received during this time will be taken into account to determine the final outcome of the trial. The charitable objects of The Royal Parks will also be taken into consideration.

Key Dates

**Trial start date:** 15 August 2020
