

St James's Park & The Green Park

Trial the closure of The Mall and Constitution Hill on Saturdays until dusk

Each Sunday and Bank Holiday, the Mall and Constitution Hill are closed to vehicle traffic from 8am to dusk, providing a quieter, safer and more enjoyable park experience for the thousands of park visitors in this iconic part of central London. We will trial expanding this closure to include every Saturday, ensuring these park roads are car-free all weekend during the day.

Key
Through traffic permitted
Traffic not permitted

We are committed to undertaking a 6-month trial of these road closures. Over this 6-month period, we will measure and monitor these trials. This will include:

- In-person park visitor satisfaction surveys (where possible due to Covid-19 restrictions)
- Attaining park stakeholder feedback
- Evaluation of the external implications of our trials in partnership with relevant transport authorities (TfL and local boroughs)
- A formal consultation with all park visitors, residents and stakeholders

All feedback received during this time will be taken into account to determine the final outcome of the trial. The charitable objects of The Royal Parks will also be taken into consideration.
