

THE
ROYAL
PARKS

CORPORATE VOLUNTEERING SESSIONS

ABOUT THE ROYAL PARKS

We are the charity that cares for the most famous collection of urban parks in the world.

We provide free access to London's beautiful, natural, and historic green spaces, to help improve everyone's quality of life and wellbeing. But the Royal Parks are more than just havens for people – they are havens for wildlife too. Each Royal Park is a unique landscape and wildlife habitat for a wide variety of insect and animal species. We are committed to protecting these vital 5,000 acres of parkland across London but to do that, we need to raise 80% of our income ourselves. London is one of the greenest cities in the world, but it will only stay that way if we continue to protect and preserve these green spaces.

“Such a lovely way to spend the morning helping out and meeting colleagues.”

CORPORATE VOLUNTEERING

Our unique corporate volunteering programme provides your company with the exciting opportunity to support The Royal Parks while getting your team out of the office and into the fresh air.

Give your team a unique, hands-on experience in caring for London's iconic parks whether through a single session or multiple visits. Led by conservation experts, participants will take part in meaningful activities like meadowland maintenance, bulb planting, pond maintenance and bench repair. They'll leave with new skills, a sense of pride and having made a lasting impact on the Royal Parks.

BENEFITS

Your team will connect with each other and bond over the joy of giving back to their community.

Corporate volunteering strengthens team bonds through shared, meaningful experiences. It helps employees develop and refine skills such as communication, collaboration and time management, while also offering a refreshing break from the desk. Time spent outdoors and in nature supports mental and physical wellbeing, leaving staff feeling healthier and more energised. Happier employees are

more engaged, productive and loyal, with studies showing that companies that invest in volunteering see improved retention, stronger workplace culture, and increased overall performance.

INCLUDED IN THE DAY

- A volunteer briefing document sent over ahead of the day to share with volunteers.
- Expert-led volunteering sessions with a qualified First Aider on site.
- Provision of all personal protective equipment and tools.
- Refreshments and lunch provided for every volunteer.
- Overview and photos of the day sent through post event.

REQUIREMENTS

We require a minimum of 10 volunteers and a maximum of 30 per volunteering session.

Many of our volunteer activities are very manual and labour intensive. If any of your volunteers have access requirements, please do not hesitate to let us know and we will do our best to offer an accessible volunteering task.

We charge a set fee for our corporate volunteering sessions. This fee covers the cost of delivering the session and goes towards supporting the Royal Parks. Price available upon request.

"It feels great to be helping to make the park better."

"The team were very welcoming and knowledgeable, a pleasure to work with."
