

EXTRA ACTIVITIES

Form the pearls into clumps to make it look like frogspawn

Line the pearls up in long strands to make it look like toad spawn

Be a duck

Scoop the pearls up with your beak (spoon) and put them in your belly (cup).

Did you know?

The pond in The LookOut, Hyde Park has a very healthy population of Toads and Newts!

Feely Frogspawn

SENSORY PLAY: MAKE YOUR OWN FROGSPAWN

Equipment

- 500g large tapioca pearls
- Green food colouring
- Large saucepan

Step 1: Heat 4 litres of water in a large saucepan until it reaches a rolling boil.

Step 2: Add 500g large tapioca pearls into the pan and keep at a rolling boil until they are jelly on the outside with a white core.

Step 3: Drain the pearls, add cold water and allow to cool. Optional: add green food colouring to make it a pond colour

Step 4: Tip into a large tray for play and, if necessary, dilute with more water to make it flow.

Have Fun!
