We use a wide range of ingredients in our kitchen, some of which may contain allergens.

Please let us know if you have a specific allergy or dietary requirement so we can let you know of the most appropriate food choice.

Adults need around 2000 kcal a day.

We work with local UK suppliers to bring you the very best fruit and veg and use only UK-sourced meat and dairy. In our dishes we use MSC (Marine Stewardship Council) certified fish and Red Tractor approved fresh meat and chicken.

This menu has a labelling system that shows the amount of carbon and water emissions produced by each dish.

Visit [benugo.com/sites/restaurants/serpentine-bar-kitchen/](https://benugo.com/sites/restaurants/serpentine-bar-kitchen/) to view the carbon footprint of your meal and to find out more about the Foodprint initiative.

Each item is rated on an A-E scale, showing the impact of our food choices on the environment. Products labelled A are the most climate-friendly choice, and products labelled E... we recommend in moderation!

Our menus are printed on paper that has been FSC (Forestry Standards Council) approved.
