20th January 2026

Dear [REDACTED]

Thank you for your request of 5th January 2026 in which you asked the following:

Please could you provide me with details on the annual numbers of deer killed in the Royal Parks as part of regular culls, each year, between 2015 and 2025, please? And please could you also provide figures on how much money the Royal Parks has earned from selling deer killed across the parks over the same period, again broken down annually? For each figure, could you also break the overall figure down by park, so how many deer were each culled in Richmond, Greenwich and Bushy parks, and what the Royal Parks earned from the sale of culled deer?

We have provided our response below:
