Dear [REDACTED]

Thank you for your request of 14 May 2026 in which you asked the following:

- 1. The total amount spent by your organisation on funding or subsidising private healthcare/medical insurance for your staff during the 2025-26 financial year.**
- 2. A summary or copy of the private healthcare policy/policies currently available to your staff. Please include details regarding the level of cover provided and the eligibility criteria for staff to access this benefit (e.g., whether it is available to all staff, or restricted to certain pay grades or roles).**
- 3. The total number of staff members who were enrolled in or successfully claimed from this private healthcare scheme during the 2025-26 financial year.**

Please find our response below

1. £57,350

2. All permanent and fixed term staff are eligible to enrol. There are 3 levels of cover and the organisation pays for the basic level 1. Employees have the option to pay themselves to increase the level of cover.

3. On average we had 163 employees enrolled on the scheme. We are not able to provide information on the number of claims.

Please also find attached Westfield Mosaic Health Cash Plan guide.

I hope this information satisfies your request.
